

# See better – live better

## Delta Dental Vision provided by EyeMed Vision Care

Your eyes say a lot about you – from your emotions to vision and your overall health. And, when you're proactive about protecting your eyes, the impact is clear.

Regular eye exams not only correct vision problems, they also can reveal early warning signs of more serious health conditions such as hypertension, cardiovascular disease and diabetes. So, schedule exams annually and you'll be set on a path to better health.

## Keep on saving

You can use your EyeMed discount as often as you like, all year long, on nearly all your vision care purchases at EyeMed's participating providers.
