Kiddie Academy of Lone Tree

- As part of the business community in the Lone Tree area, we are committed to building strong business relationships toward a common goal. Like you, we understand very well that families' peace of mind around this crisis, when it comes to the care of their children results in more effective and productive time spent at work. To that end, we would like to extend a special offer to Lockheed Martin employees. We will waive 50% registration fee (regularly valued at \$150) and also offer 10% discount for full timers and 5% discount for part timers towards monthly tuition fees. Company identification card or copy of recent pay stub will be required as proof of employment at the time of registration.
- At Kiddie Academy®, we are first and foremost, caregivers. We believe care and learning should go hand in hand and that the two should always be balanced with a big dose of fun. The care we provide is the finest available. Our academies are designed to meet the highest safety standards. Nutritious lunches and snacks are served each day to help provide our students with a well-balanced diet. Our rigorous hiring and training programs ensure that our educators always deliver the most comprehensive and supportive care possible.
- Kiddie Academy Of Lone Tree is conveniently located adjacent to Cochlear parking garage on 10344 Park Meadow Dr. Please feel free to write us at lonetree@kiddieacademy.net or Prinal.Kapadia@kiddieacademy.net.

nation. Visit www.OVCAinc.com or contact our Executive Director, Andrea Pizano, at (303) 791-5771 apizano@OVCAinc.com or visit our center at 9314 Commerce Center Street, Highlands Ranch, CO 80129 – by Shea Stadium.
