What to do now

Update your Profile. Your Profile powers Coverage Checkup, our comprehensive coverage recommendation tool. To learn more about creating or updating your Profile, read [Create Your Profile](#) on the website.

Watch for notifications from your insurance carrier in the fall. Carriers typically send out Annual Notices of Change (ANOC) each fall, outlining any changes to your premiums, benefits, and coverage rules. Read them carefully; if your premiums increase significantly or your plan is ending, call Via Benefits.

Schedule an enrollment appointment if you prefer to speak with a Via Benefits licensed benefit advisor during the Open Enrollment Period. Visit my.viabenefits.com/speak-to-an-expert. We can help you find a plan that fits your health needs and budget.

To maintain your Lockheed Martin Health Reimbursement Arrangement (HRA), you must make Medicare plan changes through Via Benefits Insurance Services. Using another broker or carrier may result in losing your HRA.

Health insurance premiums might change yearly due to location, rising healthcare costs, admin fees, and inflation. If your Medicare Advantage or Part D coverage changes, you'll receive an Annual Notice of Change letter from your insurance carrier. Please review it for updates.

Medicare Supplement (Medigap) plans do not receive this notice.
